***GROW YOUR BUSINESS!***

Partner Program

2015 - 2016

**Formed** in August 2014, Salem Capitol Connections is a community consortium of partners that promotes economic opportunities for Oregon small businesses that enhance sustainability and job growth in our communities. By understanding this vital role that small business plays in our local economies and communities the opportunity to CONNECT with this diverse, innovative, and nimble sector of our State has never been stronger. Through your Sponsorship Participation you will empower your organization to effectively engage in relationships across governmental entities and the small business community.

**Governmental entities;** sponsorship will give your entity an ongoing presence in the communities interested in providing products, trades, and services. You will have the opportunity to add the “human” element and approachability for the business community to better align services and products that you procure. Your agency will build collaborative partnerships with other governmental entities that leverage resources for more effective outreach and education to the public.

**Small and Mature business owners;** Public Agencies across Oregon spend billions of dollars on goods and services that provide vital services to all Oregonians. Governmental entities in Oregon must operate and procure within the framework of Oregon Statutes, Rules, and Policies. Today, more than ever, public agencies can be strategic in “how” they buy, and “who” they buy from with greater considerations on the impact it has on communities. Through attending and/or sponsorship, Salem Capitol Connections will provide the landscape for you to market your products and services, network with—agency representatives, primes and subcontractors, and engage in a variety educational and informational workshops. Whether you are starting a business, looking to expand/grow your business, or sustain for future generations, there are immediate resources to assist you on your journey.

We encourage you to take few moments and consider becoming a Salem Capitol Connections Sponsorship Partner.
